

*Life is Short, Eat Dessert First!*<sup>TM</sup>

Those of you lucky enough to have lived between the Forties and Sixties, a time when cafes were the place to gather with family and friends to enjoy fine food and good company, might remember a place like...Norma's Cafe.

The original Norma's Cafe is that kind of place – a great cafe on Highway 80. Good coffee, homemade breads, cakes and those Mile-High Cream Pies...WOW! Breakfast, homemade chili, vegetables and burgers are made fresh! The friendly waitresses even know your name.

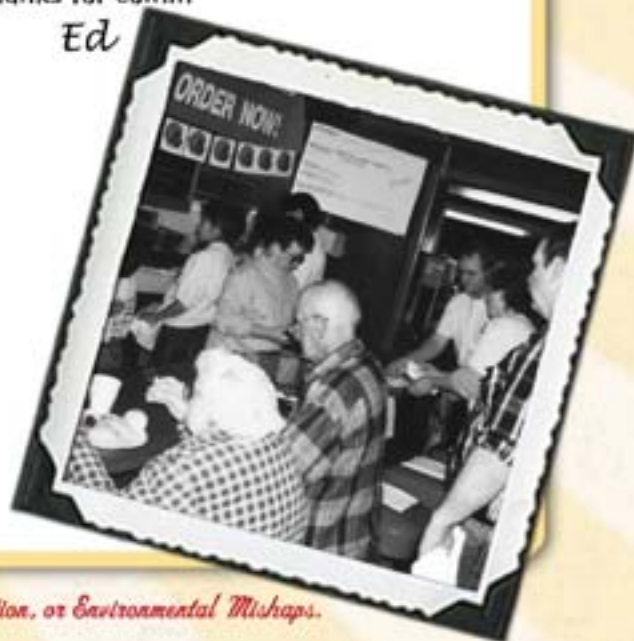

I hope Norma's Cafe brings back old memories and makes new ones for you.

Thanks for comin'

Ed
