Norma's Cafe, Cody's Friends Rescue to Hold Second "Dog Days of Summer" Pet Adoption Event

Portion of restaurant sales to benefit shelter's operation costs

(DALLAS) – [Norma's Cafe](#), the original Dallas dining icon, will team up with [Cody's Friends Rescue](#) for its **second "Dog Days of Summer"** pet adoption event, where a portion of sales from all three locations on Wednesday, August 14 and Thursday, August 15 will be donated to the organization. On **Wednesday** at the [North Dallas location](#) and **Thursday** at the [Frisco location](#), the restaurant will have dogs of various breeds available for adoption from **6 – 8 p.m.**, as well as raise money for the operational budget of Cody's Friends Rescue.

In honor of the event, Norma's Cafe is bringing back its popular double-barrel chili dogs – two 1/4 pound, 100 percent beef hot dogs, served open-faced on Texas toast and topped with chili cheese, onions and jalapenos (all served with chips, fries or tots).

"We are excited to host this important event for the second year in a row at all of our locations, as well as encourage our guests to help us find homes for these puppies," said [Ed Murph, owner of Norma's Cafe](#). "Giving back to the local community has always been important to us, so helping a great organization like Cody's Friends Rescue give a friend to our guests makes sense."

All adoptable pets on location will be fully vaccinated, heartworm tested, micro chipped, vet checked and current on heartworm and/tick/flea medication. The adoption process consists of an online [application](#), home visits and veterinarian check-ups. A full list of adoptable dogs can be found online on the Cody's Friends Rescue website at www.codysfriendsrescue.com.

"Cody's Friends Rescue is excited to partner with Norma's Cafe, which is known throughout Dallas to give back to the community" said **Tina Austin, executive director at Cody's Friends Rescue**. "The opportunity to work with organizations across Dallas will help spread our mission of finding homes for rescue dogs and give them a second chance. We couldn't think of a better way to celebrate summer than introducing North Texas to our loving and deserving animals."
