## Norma's Cafe Creates More Than 140 Jobs for City of Frisco

*Dallas cafe expansion, accepting job applications beginning April 29*

(DALLAS) – [Norma's Cafe](#), the original Dallas comfort-food dining icon, is **creating more than 140 jobs** for the [City of Frisco](#) as it begins hiring for the new location onsite on April 29. The **4,000 square-foot restaurant** will be accepting applications for front- and back-of-house staff.

"Norma's Cafe prides itself on its years of serving Dallas residents and is eager to be a second home for businesses in Frisco," said [Ed Murph, owner of Norma's Cafe](#). "Much like our cafe location off the Dallas North Tollway and the original in Oak Cliff's Bishop Arts District, we anticipate our new location in Frisco to be a great place to host business meetings and network with the movers and shakers of North Texas without all the pomp and circumstance for most business meetings."

The expansion of Norma's Cafe into Frisco will create jobs for residents including servers, hostesses, food runners, bakers, cooks and cashiers. Previous restaurant experience, specifically with serving breakfast, is preferred. All applications need to be submitted in person at the Frisco location and fitting applicants will be called back for interviews.

"We are excited to bring new faces to our team and welcome them to our Norma's Cafe family," said **Laura Mason, manager for Norma's Cafe's Frisco location**. "We encourage people with all types of restaurant experience to apply for these positions, especially those who understand the culture we have shared with Dallas for the past 57 years."

The new Norma's Cafe location will be at the [Centre at Preston Ridge](#), located at **8300 Gaylord Parkway, Suite 19**. Norma's Cafe will be surrounded by many other recognized businesses that include Super Target, Best Buy, Old Navy, DSW, Big Lots, T. J. Maxx and Half Price Books. Updates on the progress of construction will be posted at [NormasCafe.com](#), as well as Norma's Cafe Facebook and Twitter pages.
